enterprise europe network

Enterprise Europe Network

The Enterprise Europe Network helps small business to make the most of the European marketplace. Working through local business organisations, we can help you to:

- ☑ Develop your business in **new markets**
- ☑ Source or license **new technologies**
- ☑ Access **EU finance** and **EU funding**

We have close to **600 member organisations** across the EU and beyond. They include chambers of commerce and industry, technology centres, universities and development agencies.

From **26th to 30th November 2012** the Chamber of Commerce and Industry of Rhône-Alps region, member of Enterprise Europe Network, organizes the partnering event "**GREEN DAYS – Technology and Business Meetings**". Please, find the **PROGRAMME** below:
